What Are We Going To DO??

House Building Team

- We will be blessing a family by building them a house, complete with a cement floor (the slab will be ready by the time your team gets there), real windows (they normally use just a piece of cloth over a whole in the wall), a door that locks (they again use just a piece of cloth or cardboard for a door) and a composition roof that will not leak when it rains!
- We are going to play games, give candy & balloons, do face painting & finger nail polish, and show Jesus through our love to the kids that congregate at the job site. Plus, we are going on at least one adult evangelism outreach into a local church or Christian Rehab Center. You will also be able to play with the children there.
- We will be attending either a lively Mexican church service Wednesday night and/or an English church service Thursday night.
- On the last night we have a great Fiesta Dinner at a Mexican Restaurant, steak, fish, or Mexican (your choice)!!
